SANYA, CHINA | FEBRUARY 25-27
中国三亚 | 2022年2月25-27日

2022

We are glad to announce that 2022 3rd International Conference on Computer Science, Engineering and Education (CSEE 2022) will be held in Sanya, China during February 25-27, 2022.

CSEE 2022 will be a relevant opportunity for researchers, practitioners, and educators around the world to present and discuss the most recent innovations, trends, and concerns together with the theoretical and practical challenges encountered and their applications. All papers will be carefully selected by experts in related fields with rigorous review criteria. In addition, we also hope that all the participants can gain new research experience and inspirations from CSEE 2022. We hope to see you in the beautiful city of Sanya in February 2022.

Due to the uncertainty of COVID-19 situation, online presentation / online attendance will be considered (with discounted registration fee) if physical presentation is not feasible at the time of the conference.
