

The 6th International Conference on Computer Science, Engineering and Education (CSEE 2025)

Nanjing, China | February 21-23, 2025

<http://csee.net/>

About the Conference

CSEE 2025 serves as a platform for knowledge sharing, collaboration, and fostering innovative ideas that shape the future of the fields of computer science, engineering, and education. This conference aims to foster collaboration, encourage interdisciplinary approaches, and contribute to the development and dissemination of cutting-edge research and practices.

Welcome to Nanjing, China, and welcome to CSEE 2025!

Proceedings

Submitted papers will go through a rigorous peer review process, and finally accepted papers after registration and presentation will be published in the CSEE 2025 conference proceedings.
